JEFFERY AIFUWA

📞 (+234) 913-498-7347   ✉ jefferyaifuwa7@gmail.com   📍 Lagos State, Nigeria

CAREER OBJECTIVES

Detail-oriented and confident AI Tutor and Data Annotator with strong communication, leadership, and analytical skills. I thrive on challenges, take initiative with minimal supervision, and collaborate effectively to deliver high-quality datasets and improve AI systems. Passionate about responsible AI, I bring a sharp eye for detail, a commitment to accuracy, and a drive to help teams succeed.

PROFESSIONAL EXPERIENCE

DATA ANNOTATOR - GEN AI, NLP, LLM

Otaku.HugoTechnology, Lagos
May 2023 - present

- Create high-quality labeled data for LLM and image-based AI models.
- Generate and evaluate prompts to assess model responses in NLP tasks.
- Contribute to over 96% team-wide accuracy across multiple annotation pipelines.
- Maintain precision while working on evolving annotation tools and rubrics.

DATA ANNOTATOR INTERN

Otaku.HugoTechnology, Lagos
April - May 2023

- Kept high accuracy standards while using complex annotation tools and datasets.
- Labeled and organized large amounts of data to help train and improve AI and machine learning models.

DATA ANNOTATOR

Mindrift, Lagos | Jan - April 2023

- Labeled text and image data with strict adherence to project guidelines.
- Supported model training and evaluation through consistent high-accuracy annotations.
- Collaborated with global teams to maintain alignment on annotation quality.

DATA ANNOTATOR

Appen, Lagos | Nov 2022 - Jan 2023

- Performed transcription, text labeling, and classification tasks on varied datasets.
- Maintained data privacy standards while delivering accurate and timely work.
- Worked independently using proprietary tools and platforms.

DATA ENTRY & LABELING ASSISTANT

Local Government Council, Nigeria | Feb 2022 - March 2023

- Supported administrative data projects by organizing, cleaning, and labeling records.
- Contributed to digitization efforts by converting physical records into structured data.

DATA ENTRY

Nioda Limited, Lagos | Oct 2019 - March 2020

- Entered and verified large datasets with a focus on speed and accuracy.
- Cleaned and formatted records to support digital transformation efforts.

EDUCATION

ALTSCHOOL AFRICA
Diploma in Cloud Engineering (in-view)
2024 - 2025

FEDERAL UNIVERSITY OF AGRICULTURE, ABEOKUTA
Bachelor of Engineering in Mechanical Engineering
2016 - 2021

CERTIFICATION

ENGLISH TEST (C2 - EXPERT) - 2025
Ef Set

INTRO TO ARTIFICIAL INTELLIGENCE - 2024
Udemy

NETWORKING ESSENTIALS - 2023
Cisco Networking Academy

GOOGLE WORKSPACE - 2023
Google Cloud

INTRODUCTION TO CYBERSECURITY - 2022
Cisco Networking Academy

PYTHON PROGRAMMING - 2022
SoloLearn

SOFT-SKILL TRAINING - 2022
Jobberman Africa

PROFESSIONAL SKILLS

- Large Language Model (LLM) Testing & Prompt Engineering
- Multi-Modal AI Evaluation (Text + Image)
- NLP System Testing & Feedback
- Annotation QA & Rubric-based Auditing
- Data Annotation & Image Labeling
- Data Cleaning & Analysis
- Proprietary Software Proficiency
- High Accuracy & Attention to Detail
- Research and Analysis
- Communication & Coaching
- Google Workspace
- Microsoft Excel
- Fluent in English (C2 – Expert Proficiency)

LEADERSHIP

President (and Former Vice President)
- National Youth Service Corps Community Leadership, Nigeria

Assistant Academic President
- NIFES Fellowship Academic Team
